State the probable conditions in Perth and Auckland, and in particular:

Perth

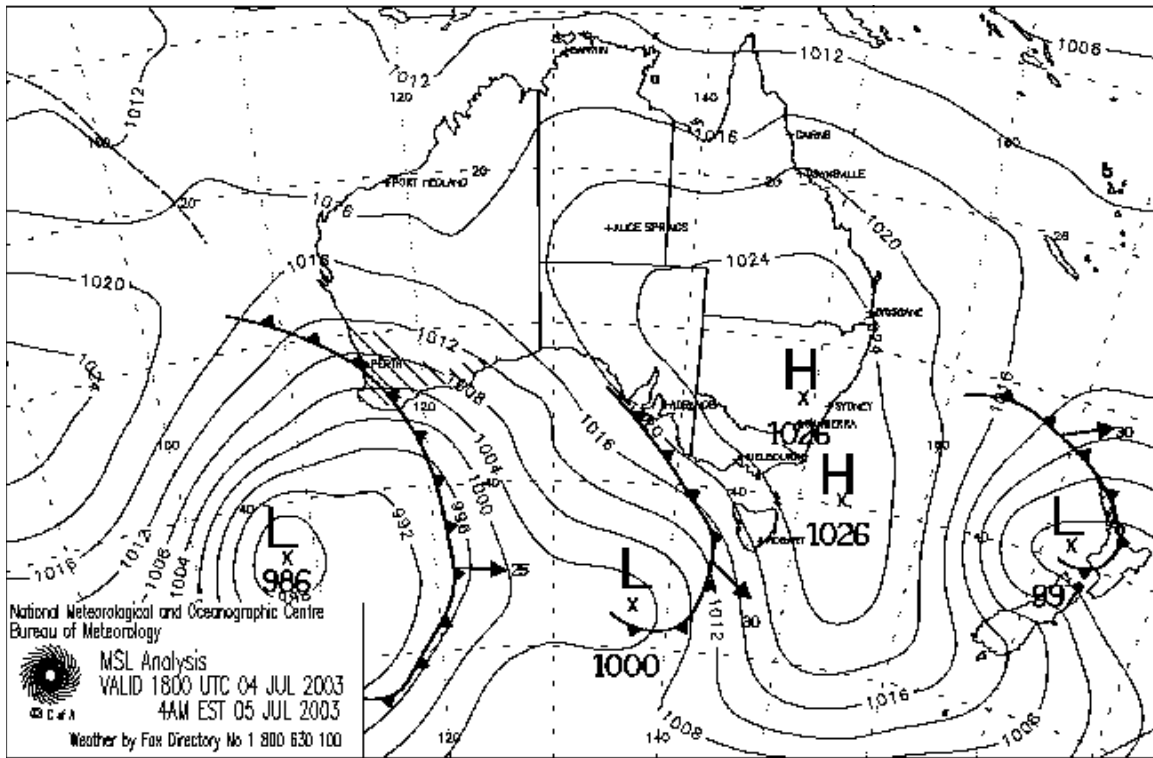

Auckland

Temperature.....

Pressure.....

Wind speed/direction.....

Precipitation.....

Weather Chart © Australian Bureau of Meteorology [2003]

Synoptic weather chart assignment two:

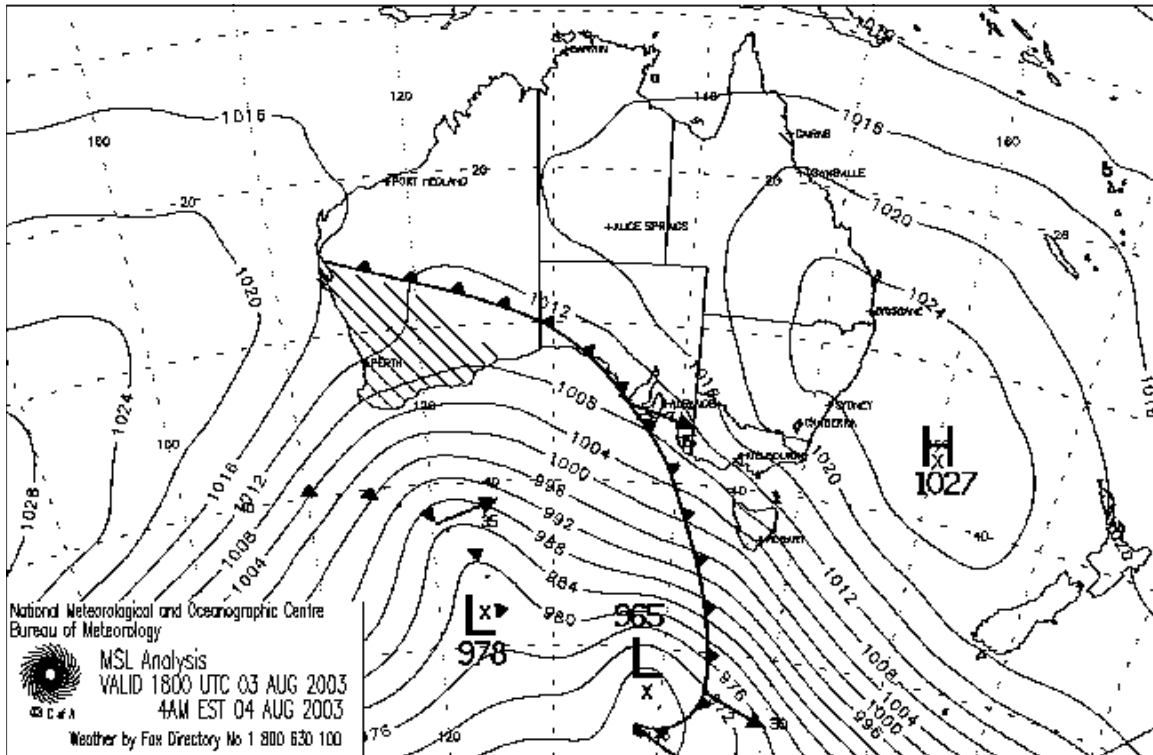

State the probable changes in conditions expected in Adelaide soon, and in particular:

Temperature.....

Pressure.....

Wind speed & direction.....

Precipitation.....

Weather Chart © Australian Bureau of Meteorology [2003]

Synoptic weather chart assignment three:

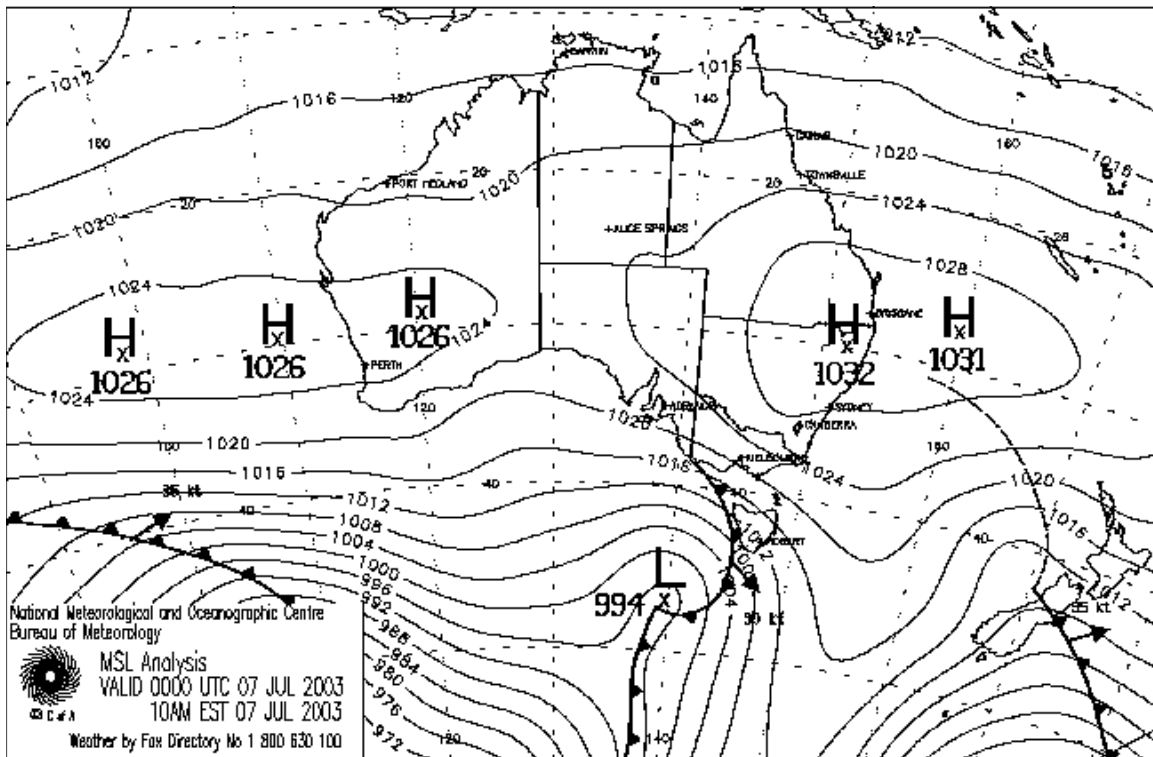

State the probable changes in conditions expected in Hobart soon, and in particular:

Temperature.....

Pressure.....

Wind speed & direction.....

Precipitation.....

Weather Chart © Australian Bureau of Meteorology [2003]

Synoptic weather chart assignment four:

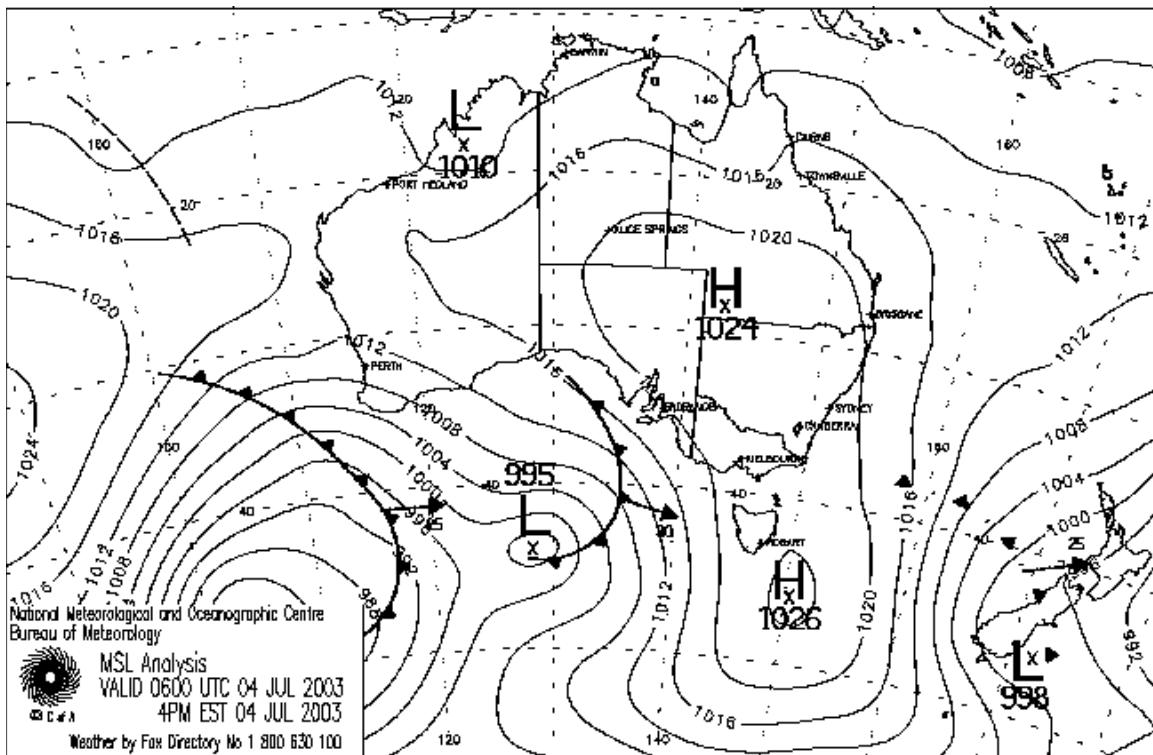

State the probable changes in conditions expected in Bass Strait later, and in particular:

Temperature.....

Pressure.....

Wind speed & direction.....

Precipitation.....

Weather Chart © Australian Bureau of Meteorology [2003]

Synoptic weather chart assignment five:

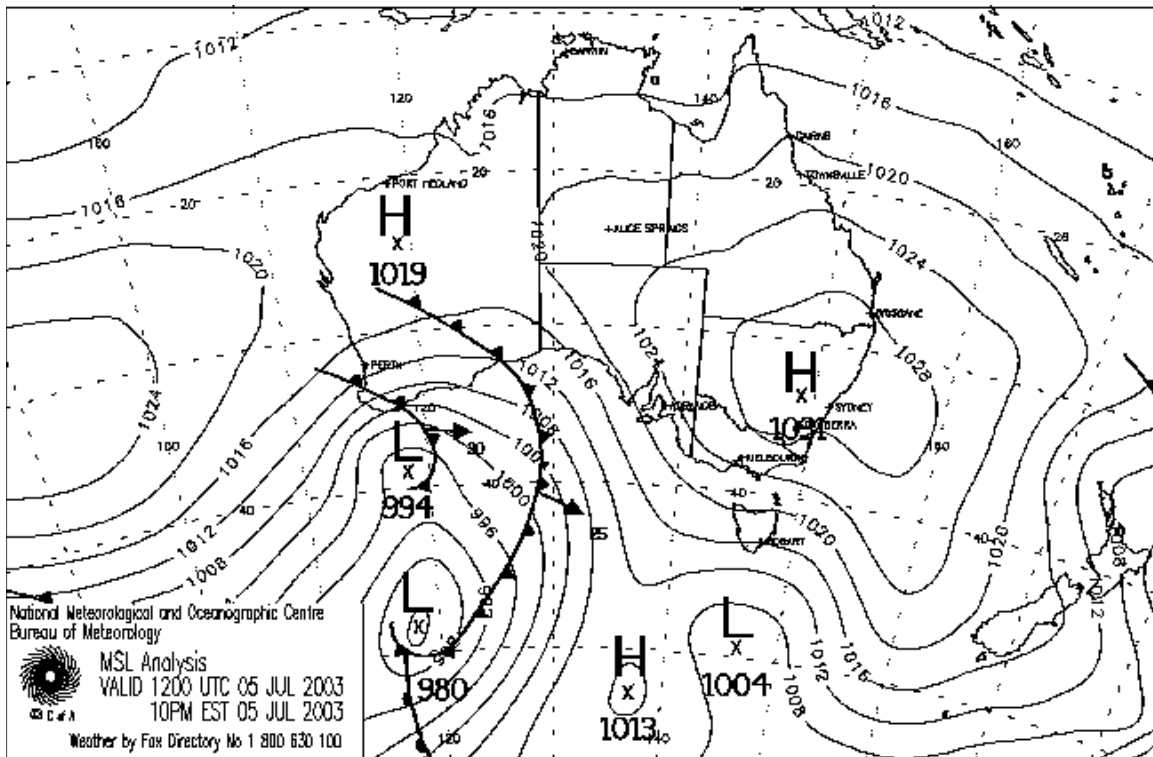

State the probable changes in conditions expected in Perth soon, and in particular:

Temperature.....

Pressure.....

Wind speed & direction.....

Precipitation.....

Weather Chart © Australian Bureau of Meteorology [2003]

Synoptic weather chart assignment six:

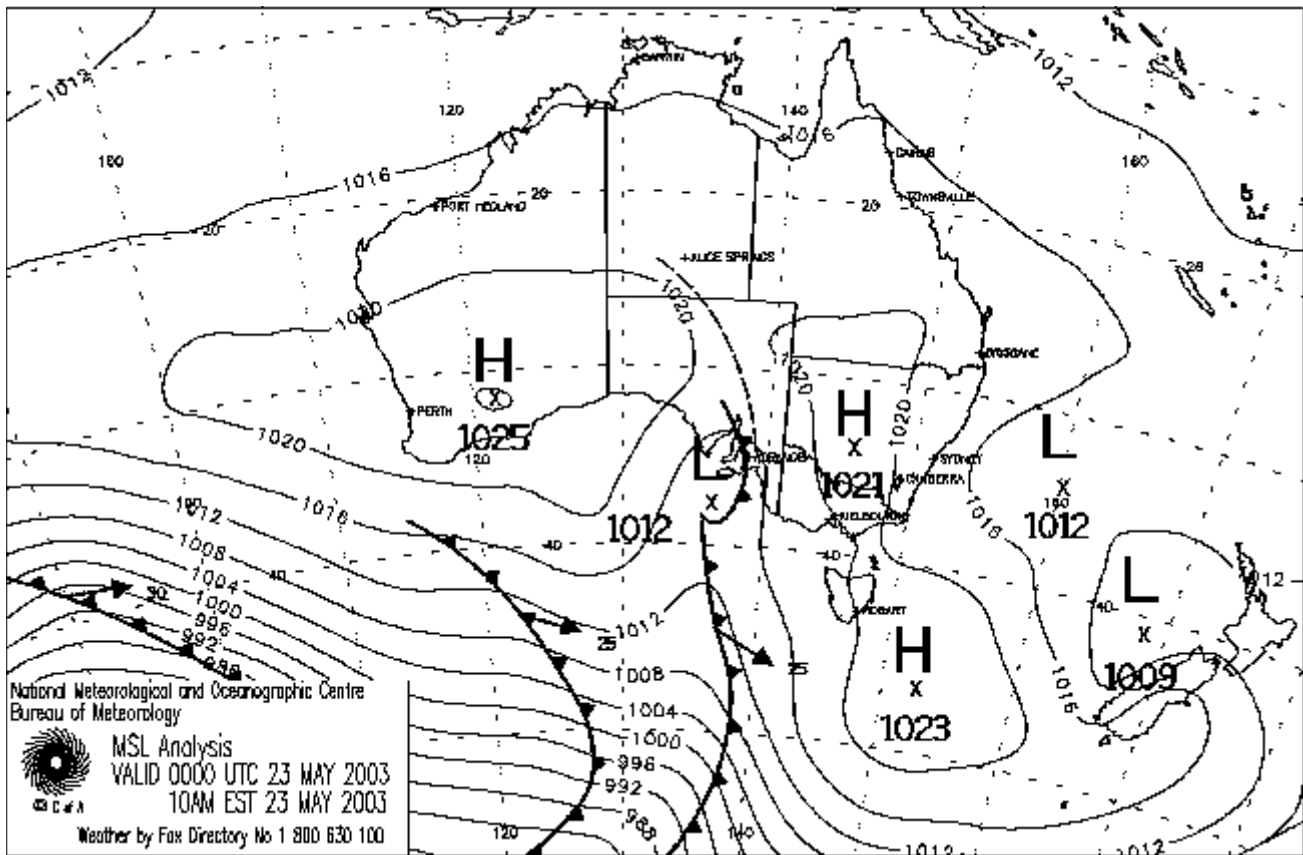

State the probable conditions in Adelaide, and in particular:

Temperature.....

Pressure.....

Wind speed & direction.....

Precipitation.....

Weather Chart © Australian Bureau of Meteorology [2003]

Synoptic weather chart assignment seven:

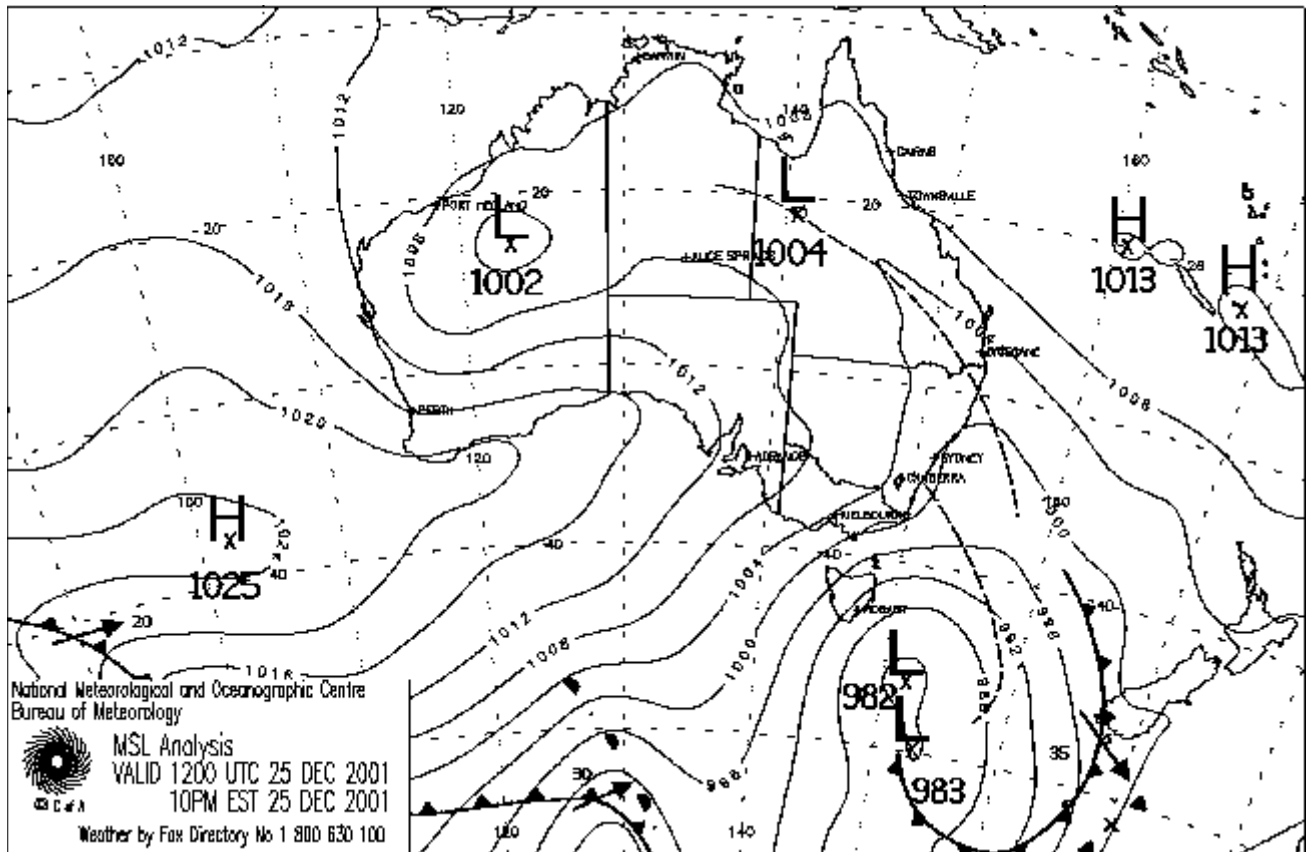

State the probable changes in conditions expected in Christchurch soon, and in particular:

Temperature.....

Pressure.....

Wind speed & direction.....

Precipitation.....

Weather Chart © Australian Bureau of Meteorology [2003]

Synoptic weather chart assignment eight:

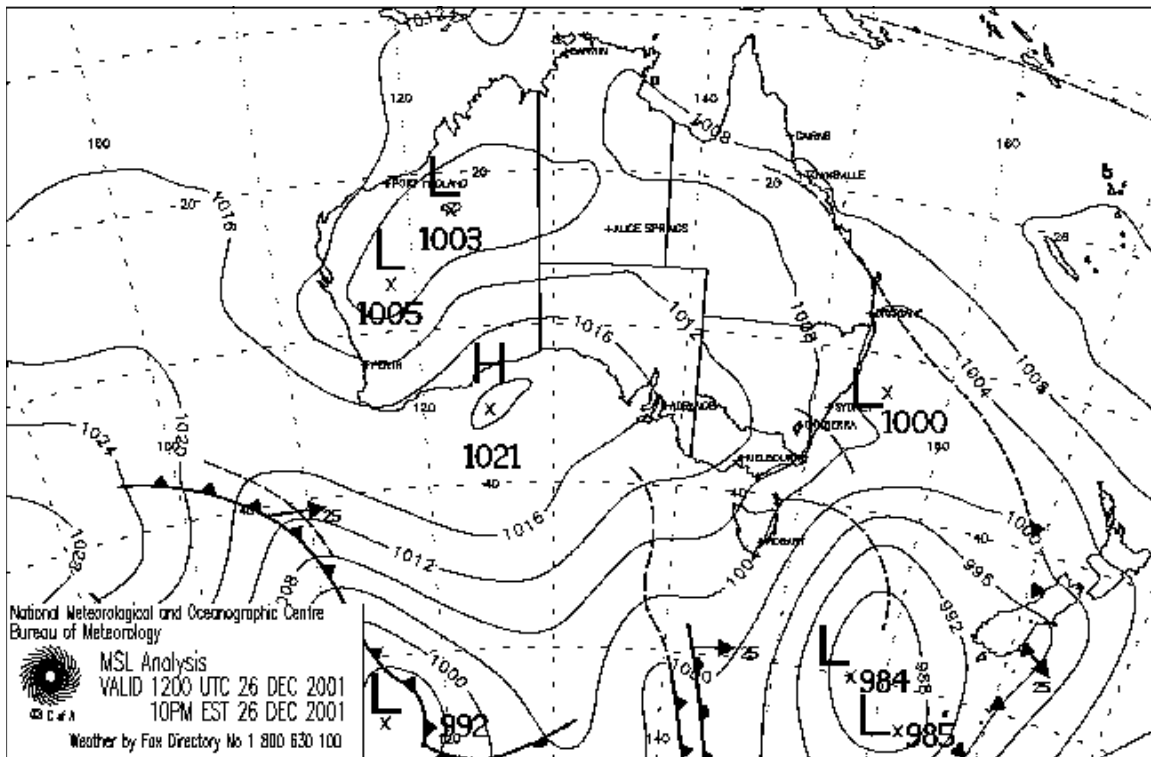

State the conditions expected in the Southern Tasman Sea, and in particular:

Temperature.....

Pressure.....

Wind speed & direction.....

Precipitation.....

Weather Chart © Australian Bureau of Meteorology [2003]

Synoptic weather chart assignment nine:

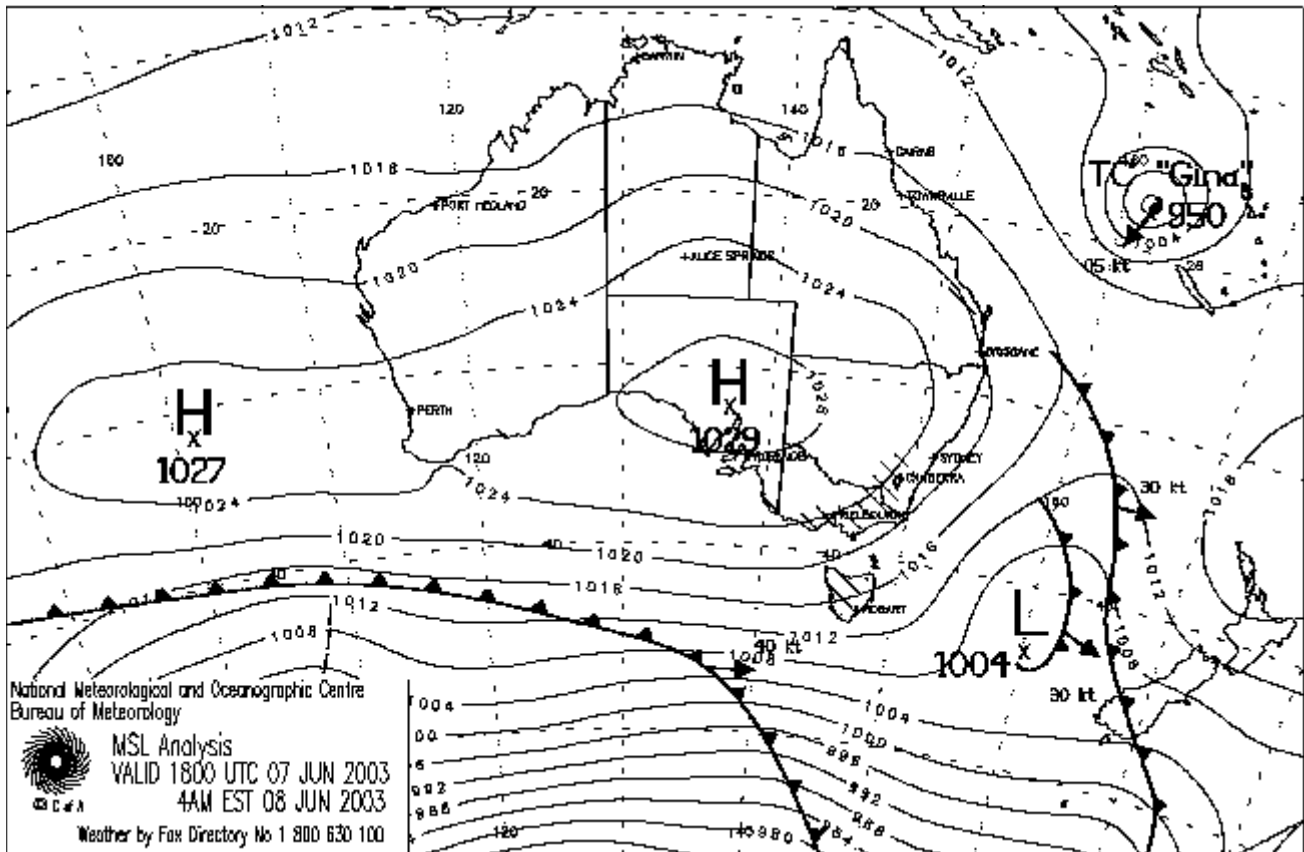

State the probable conditions in New Caledonia, and in particular:

Temperature.....

Pressure.....

Wind speed & direction.....

Precipitation.....

Weather Chart © Australian Bureau of Meteorology [2003]

Synoptic weather chart assignment ten:

State the probable changes in conditions expected in Melbourne & Townsville soon, and in particular:

Melbourne

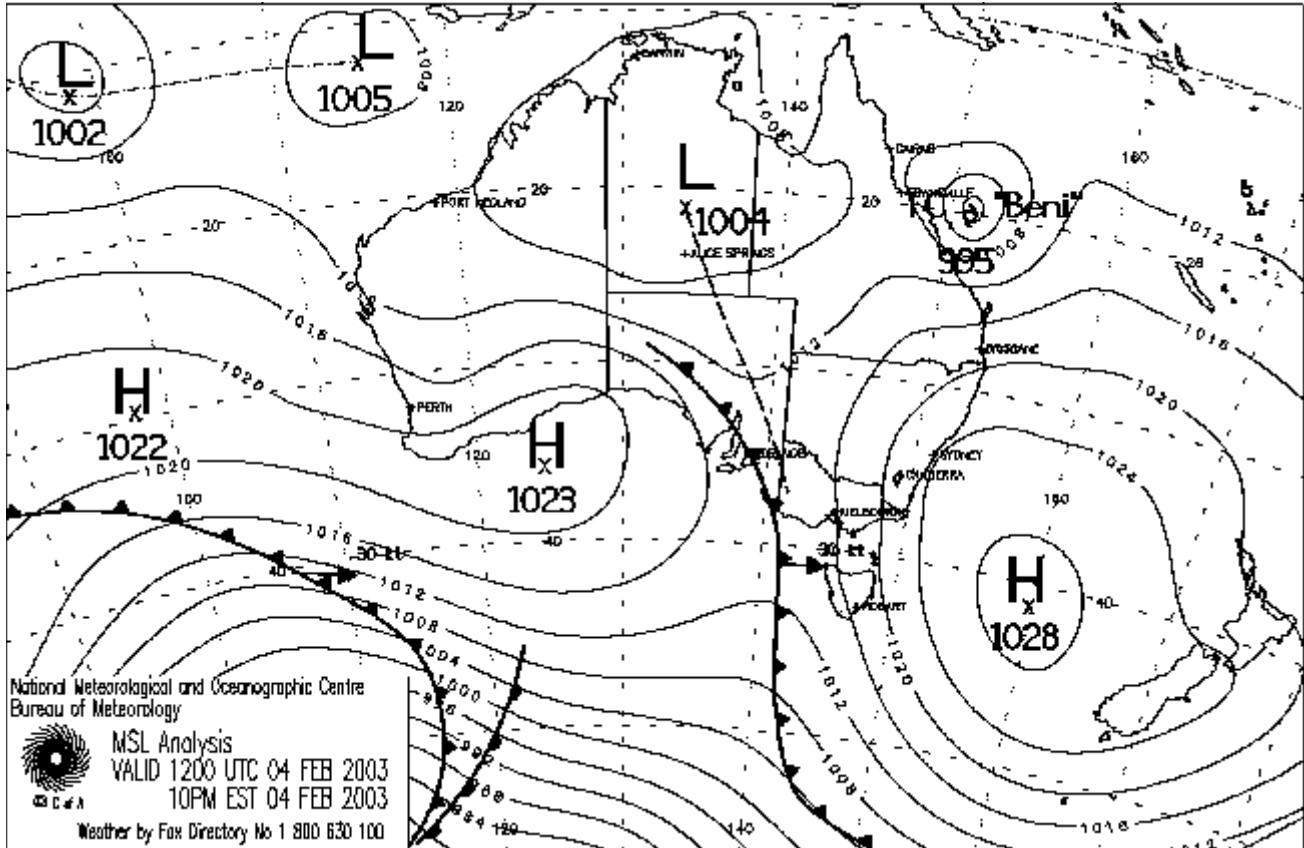

Townsville

Temperature.....

Pressure.....

Wind speed & direction.....

Precipitation.....
