

## CC EX 8 – EMERGENCY PROCEDURES SURVIVAL:

**Purpose:** Survival drill to SOP's.

<b>PMSRG CR1</b>	Implementation date 01/09/06	Review date 01/09/07
<b>ABANDON SHIP SAFETY CHECKLIST</b>		
<i>Communication</i>		
Orders from the intercom or stamping on flybridge floor indicates there is need to contact the Skipper immediately.		
<i>Always remember</i>		
<i>STAY CALM -</i>	Stop, Think, Act	
<i>ALWAYS -</i>	Communicate with Skipper	
<i>Abandon Ship</i>		
<i>Abandon Ship order can <u>only</u> be given by the Skipper.</i>		
As Crew, we have a responsibility to ensure the safety of all Passengers as well as ourselves.		
<ul style="list-style-type: none"> <li>• Skipper to radio/phone distress call &amp; message that includes position.</li> <li>• Abandon ship order given by - by skippers orders (or repeated short and long horn blasts)</li> <li>• Ensure crew/passengers have life jackets correctly fitted.</li> <li>• Throw Liferaft over from on cabin roof (a line is needed to ensure it cant drift away too quickly.)</li> <li>• Instruct passengers to jump into water holding life jacket collar at front and pulling down and legs together. Ensure they are not jumping into shallow water. Avoid jumping from Top Deck.</li> <li>• Check toilets - berth - cabin is clear of passengers/crew.</li> <li>• Report to Skipper before Crew abandon with flares EPIRB and water.</li> <li>• Ensure no. of survivors match the boarding tally, issue seasickness pills, treat injured.</li> <li>• Tie EPIRB to raft and activate, operate parachute flare.</li> <li>• Maintain a lookout.</li> </ul>
