

PORT SAR EX 1– RAPID RESPONSE IN RIVER RESCUE FIRE:

Task:

To provide effective simulated rescue by gathering all available task information by appropriate research/questioning, develop a plan, risk assess the plan & operate fire pump.

Initial (task information) Report:

1333 - Message from SARCC to duty skipper –

- Vessel reports on Ch16 that it has been in collision in river at 1330.

1340 - Message from police to SARCC –

- Witness report of vessel with smoke floating upstream and two persons in the river.

Team member names and date of exercise:	
First clarify and evaluate your task information.	
<i>*Training officer's note:</i> The further information overleaf in the <i>requested additional information</i> is only given if requested by specific questioning from the training exercise team.	
<i>Who -</i> <i>What -</i> <i>When -</i> <i>Where -</i> <i>Conditions -</i> <i>Injuries -</i> 	
Assets available	
Planned initial response	

Scenario- Requested additional information:

1345 - Reply from SARCC to request for specific additional information –

- Reporting vessel confirms as a trawler in 31° 24'.2 S 152° 54'.2 E, on fire, 2 POB all aboard, no injuries, floating onto ferry cables, request for fire pump.
- Trawler reports it collided with a tinny with two young occupants but lost sight of them.

Now prepare your Operational Plan	
Operational information: (Use today's conditions) <i>Distance to go -</i> <i>Forecast -</i> <i>Tides -</i> <i>Daylight -</i>	
The SAR plan and brief of personnel. 	
On scene risk assessment.	
De-briefing. 	Did you: Find position and take appropriate equipment? Secure the trawler from floating onto the ferry? Institute a search for the lost boys?
Exercise corresponds to: Motorboat Simulator Ex. 1., Port Scenery. Qu. 1	12 mtr trawler sinking near the Settlement Point. 31° 24'.2 S 152° 54'.2 E Distance 1.5NM ETA + 0hrs 5 mins from departure at Shed @ average 20Kts

Subsequent en-route update reports:

1415 - SARCC notifies RV–

- Fire under control but oil slick emerging from trawler, two boys in tinny reported missing.

1500 - SARCC notifies RV–

Police report of two boys waving for help at the North tip of Pelican Island.

1530 - SARCC notifies RV–

- Police report of two boys from sunk tinny recovered from Pelican Island and spill controlled.
